EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Peter W. Peterson on February 27, 2007.

The application has been amended as follows:

13. A toy kit comprising:

a first light-activated illuminating member comprising a support member and a phosphorescent material supported thereby;

a first cover member for shielding the phosphorescent material from undesired exposure to light;

a second cover member, wherein the second cover member is joined to the first cover member and movable in relation thereto and

a light source adapted to activate the phosphorescent material;

wherein the phosphorescent material is adapted to form a luminescent image that has a varying luminescent effect; and

a second light-activated illuminating member affixed to the support member, which forms a luminescent image having a different luminescent effect from that of the first illuminating member.
